Attn: Decision and Certificate of Correction
Branch of the Patent Issue Division

Dear Sir:

It is requested that a Certificate of Correction be issued to correct an error found in the above-identified patent. Attached hereto is a Certificate of Correction, in duplicate, which indicates the requested correction.

The patentees request a correction of the name of the third inventor. The U.S. Patent and Trademark Office requested a substitute Declaration well after the allowance of the patent application and after the payment of the issue fee. The Declaration was sent by facsimile to the contractor for the Office of Publications on April 27, 2005. A copy of the Declaration submitted is attached. This Declaration shows that the spelling of the third inventor's name is incorrect in the issued patent.
